CLASSIFICATION STORET/

		SFURET/	
		- 2 25X1	Α
25X1A	1. [Comment. Parndorf airfield is occupied by a fighter regiment. Excavation and construction work previously reported from the eastern edge of the fieldhas apparently been completed. It has not been determined what was constructed there.	1 .
25X1		25X1	
25X1A	2.	Gomment. Goetzendorf airfield has been vacated since early April 1953.	
25X1C		The two airfields at Parndorf and Goetzendorf are possibly administered by the komendatura in Bruck/Leitha.	
25X1A 25X1A	3。	Comment. It is known from previous reports that Bruck/Leitha military post is occupied by troops with black-bordered blue epaulets. See
